

the future at work

Credit Suisse A-Level Insight Day: Discover your future

Are you seeking a career in a vibrant industry?

Are you an intelligent, self-starter who is eager to learn?

Are you unsure which path to take and need guidance?

About the Insight Day

Our A-Level Insight Day allows Year 13 students who are unsure about their career path to discover all the different areas within Investment Banking in a friendly and informative environment. With such a diverse series of options available by the end of the day, you should know whether it's the Industry for you and what area you might suit.

We run two insight days for final year A-Level students where one is female applicants only and the other is open to everyone.

The day will involve a series of informative workshops, panels, soft skills sessions and inspirational speakers to give you insight into the banking world and not only strengthen your CV but help you stand out to employers at university.

What we look for

Recipients are selected based on their academic excellence, leadership abilities and interest in the financial services industry. You must have applied through UCAS for a place at university during the application process.

Specifically, you should:

- Demonstrate leadership and teamwork skills
- Have a AAB A-Level or equivalent grade prediction
- Have a record of high achievement outside of academia
- Show an interest in the financial services industry

Application Process

Apply with Cover Letter and CV online at:

credit-suisse.com/recruitingevents

Insight Day Dates: July 22, 2015 & July 24, 2015

Deadline: Midnight (GMT), May 31, 2015
