

APPRENTICES

As a Microsoft Apprentice you have the opportunity to start your career early, earn while you learn and gain valuable experience. Whatever your interests, there's a role for you. With a government recognised qualification on completion, this Apprenticeship provides a genuine alternative to university.

The Microsoft Apprenticeship is for school leavers only. Those at or who have finished university are not eligible.

Microsoft Apprenticeship Scheme awarded as "Best Newcomer" by the National Apprenticeship Service (NAS) in their annual regional awards and ranked in TOP 30 apprenticeship employers by Rate My Apprenticeship

We have great office facilities including coffee outlets, gyms, complimentary drinks, food outlets, learning centres, massage therapists and more!

The number of women currently at Microsoft worldwide

"I love being an apprentice, we are given such amazing opportunities and a high level of responsibility at such an early stage in our careers. I know the experience and knowledge I am gaining is going to be so valuable when progressing in my career. I have had the opportunity to help our enterprise customers overcome technical issues. Having a cohort of fellow apprentices to be on this journey with has made the whole experience. It is the best decision I ever made!"

Ruby Bedford - Technical Apprentice

"My favourite thing about being an apprentice at Microsoft is the trust that my manager and my team have in me. At Microsoft you are treated like any other employee. Since being at Microsoft I have delivered product demos to enterprise companies, and I have recently been given a revenue target to hit by the end of this year. At Microsoft you are valued, and you are important."

Harry Light - Sales Apprentice
